

Orna Rabinovich-Einy

Orna Rabinovich-Einy is a law professor at the University of Haifa. Her areas of expertise are online dispute resolution (ODR), alternative dispute resolution (ADR), and civil procedure, with research focusing on the impact of technology on dispute resolution, the relationship between formal and informal justice systems, and dispute resolution system design. She has published widely in these areas, including a book (co-authored with Professor Ethan Katsh) entitled "Digital Justice: Technology and the Internet of Disputes," published by Oxford University Press. She was recently awarded a European Council Research (ERC) grant on "The 'Vanishing Third Party': Access to Justice, Procedural Justice and Substantive Justice in the Age of Dispute Resolution Automation."
